

## Experience

### **BlackRock Private Equity Partners**

*Investment Analyst*

August 2017—Present

*Summer Analyst*

June 2016—July 2016

- Engaged in financial analysis and strategic due diligence for direct co-investment opportunities and private equity fund investments across various strategies, sectors, and stages including buyouts, growth equity, and venture capital
- Developed investment memoranda for internal screening committee process that resulted in the approval of 6 direct co-investments and 7 fund commitments; also monitored 6 existing portfolio companies
- Participated in all stages of underwriting: reviewing materials, leading reference calls, speaking with consultants, analyzing markets, pricing valuations, financial modeling, evaluating risk and returns, and closing transactions
- Staffed Americas deal teams, coordinated junior resource recruiting, and maintained log of global deal pipeline

### Selected Transaction Experience

- *Project Volcano*: \$7B LBO alongside Veritas Capital in the take-private of a healthcare analytics business, with a thesis to merge with a competitor to realize synergies and cross-sell products
- *Project Polaris*: \$6B recap of a leader in mobile device insurance and technology support services, with a thesis to continue global penetration and expand through complementary products
- *Project Range*: \$845M LBO alongside One Rock Capital Partners in the purchase of an appliance parts company, with a thesis to streamline manufacturing and expand into new product segments
- *Project Dose*: \$848M transaction alongside Kelso & Co. and Juggernaut Capital in the carve-out of several over-the-counter medications from a big pharmaceutical company, with a thesis to increase total market penetration
- *Project Alpha*: \$3B LBO alongside Thoma Bravo in the take-private of a data visualization company, with a thesis to reduce costs, reorganize the salesforce, and capitalize on business intelligence tailwinds to achieve growth

### **U.S. Department of Justice, Office of International Affairs**

*Intern*

June 2015—August 2015

- Analyzed 120 mutual legal assistance and extradition requests relating to financial crimes, counter-terror, and freedom of speech, resulting in recommendations to attorneys based on the merits of each case
- Designed and executed a system that uses spreadsheets to streamline case review; the system generated action on 39 cases in two weeks in comparison to the previous average of 5-15 cases
- Teleconferenced with foreign diplomats from nations such as Kuwait and Lebanon to discuss case progress; collaborated with visiting investigators from India to review evidence on a fraud case

### **Yale Law School**

*Research Assistant* for Noah Messing

September 2013—May 2015

- Used LexisNexis Academic and HeinOnline to find relevant precedents and arguments, on topics such as the Presidential pardon power, to write background memos for law journal articles
- Researched data on law firms' new partners to provide insights on partner composition and demographics
- Edited Messing's new book on legal writing, *The Art of Advocacy*, for the second printing

## Education

**Yale University**, Bachelor of Arts in Humanities

August 2013—May 2017

- "13 of the most impressive students at Yale right now" by *Business Insider* (2016)
- 3<sup>rd</sup> place in the 2015 and 2016 Yale College Public Speaking Competitions
- SAT Composite: 2320 (770 Math, 760 Reading, 790 Writing) / SAT Subject Test Math Level 2: 800

## Activities

### **Life Worth Living at the Yale Center for Faith & Culture**

*Fellow*

September 2015—December 2016

- Organized college events to stimulate students to discuss, explore, and reflect on life's purpose
- Changed syllabus of undergraduate course and brought Shaykh Hamza Yusuf to speak on campus

### **Journal of Environmental Investing**

*Author*

April 2015—May 2016

- Published article on "Sharia-Compliance and Sustainability" in 2015 digital issue of journal
- Authored chapter on "Sharia & Shared Ownership" for the 2nd edition of *Sustainable Investing* (Routledge, 2017)

### **Dwight Hall Socially Responsible Investment Fund**

*Co-Chair, Portfolio Manager*

March 2015—December 2016

- Rebalanced \$100,000 portfolio for the endowment of Yale's umbrella community service organization

*Interests*: Classic menswear, specialty coffee, ice cream, religious philosophy, Chelsea FC
